### Credential Requests

All requests for the working press, radio and television should be made as early as possible prior to game day. Requests should be made in writing if possible and can be picked up prior to the game at the Sports Information Office or held at the will call window at Packard Stadium for game day pickup.

### Parking

Parking passes are available to members of the working media through the ASU Media Relations Office. Parking is available on a first-come, first-serve basis. All media are encouraged to arrive as early as possible to avoid parking problems.

### Photographers

Accredited photographers holding passes will be admitted to shoot in designated areas on the field and in the stands. Still photographers are asked not to restrict views of fans if at all possible.

### Television

Facilities are available for network broadcasts. Please contact Jeff Evans at the Media Relations Office for more information.

### Radio

Space is available for the opposing team's radio broadcast. Requests for phone lines for a specific baseball series can be made through U.S. West Communications at 1-800-603-6000.

### Phone Lines

Arizona State has two phone lines in the main press box for use by the media before, during and after the game. The lines are local only, so if you need a long distance line, please make arrangements in advance.

### Interviews

On game days, Arizona State head coach Pat Murphy and his players will be available for postgame interviews following a 10-minute cooling off period. Murphy will meet with the media in the ASU dugout immediately after talking with the team in the Sun Devil lounge. Requested players will be escorted to the dugout by ASU Sports Information personnel after Coach Murphy.

Arizona State players are also available on the field at

Packard Stadium prior to practice on non-game days. Reporters who wish to interview players before practice should be at the field between 2:15 and 2:45 p.m. (practices will normally start around 3 p.m.). Please note that Mondays will usually be the off-day for the team. Please contact Jeff Evans at the ASU Media Relations Office to arrange off-day player phone interviews as well as all interviews with head coach Pat Murphy.
